*0 Enoch did not die

*1 Lamech was 168 when Adam died

*2 Japeth was the elder and Shem was the youngest which explains the year of Arphaxad's birth. **

*3 Shem outlived Abram by 35 years! Abraham knew Shem who knew Lamech who knew Adam - which today would be father, grandfather, great grandfather.

*4 Abram, Nahor, and Haran were triplets born the same year

*5 Noah died when Abram was 60 years old

****Noah lived 350 years after the flood - which puts the flood year at 1656**

There is a 2 year discrepancy surrounding the birth of Arphaxad -2 years after the flood - which would make Shem 102 or Noah 502 years old at the first born's birth. Shem's recorded age is 100 at Arphaxad's birth. Noah's had 3 sons at 500. Gen 10:21 mentions Japheth was the elder of Shem. Gen 9:24 states Ham was the younger - some scholars believe this answers the 2 year dilemma. I agree.

*6 Isaac was 110 when Shem Dies

*7 Jacob was 50 years old when Shem died.

*8 Joseph was not first born but Genesis gives us dates regarding Israel and Joseph's ages. Gen47:9 Jacob was 130 yrs old. Joseph was 39 (30 yrs +9 yrs) Gen41:46 + Gen45:6

*9 Gen15:14,15 Prophecy given to Abraham when he was 86 that his seed (Isreal) shall be afflicted in Egypt 400 years. But it will not occur until the 4th generation. The fourth generation is the generation after Joseph. Joseph's age was 110 at death Gen 50:22

*10 Moses was 80 when he delivered Israel and received the Covenant. Ex 7:7

*11 I Kings 6:1 that the Exodus from Egypt occurred 480 years before Solomon began building the Temple in Jerusalem in the 4th year of his reign. This occurred in the fourth year of his reign, about 960 bce; therefore, the Exodus would date about 1440 bce.

*12 Exodus 12:40 Israel was in Egypt 430 Years. From the death of Joseph to the Covenant was 400 years. Jacob dwelled in Egypt 17 years until he died. Gen 47:28

*13 The Judges (After the death of Joshua) ruled 450 Years through Samuel who overlapped the reign of King Saul (Acts 13:21 - 40 years). King David (I Kings 2:11) ruled for 40 years.
